

May 2026

Milano

The background features a complex arrangement of colorful, semi-transparent 3D models of biological and chemical structures. These include a purple alpha-helix, orange and pink protein surfaces, a blue and pink beta-sheet, and various smaller spheres and ribbons in shades of blue, green, and orange. The overall aesthetic is scientific and futuristic.

# CONFERENCE

ES

Seeds&Chips

THE GLOBAL INNOVATION SUMMIT

Sustainable Development in the Digital Age:  
The Role of Big Data and Artificial Intelligence

The Biodiversity Economy

One Health Approaches for Biodiversity Conservation  
and Public Health

SDGs in Orbit: The Role of New Space Economy  
in Sustainable Development

Artificial Intelligence and Natural Intelligence:  
The Wood Wide Web

Meeting the Food-Energy-Water Nexus

Biodiversity and Technology: Harnessing Innovation  
for Conservation and Discovery

Nature-Based Solutions for Finance and Biodiversity

Beyond Borders: Collaborating for Water  
and Biodiversity Conservation

How Fungi Can Change the Game(s)

Big Data and Sustainable Agriculture: Unlocking the Potential  
for a Food-Secure World

Food Innovation: Developing Healthier and Sustainable Food  
Products

Smart Food Packaging: Advancements and Opportunities  
in Sustainable Packaging Solutions

Innovative Approaches to Fermentation-Based Protein Production:  
Advancements and Opportunities for Sustainable Food Systems

The Future of Nutrition: Innovations and Advancements  
in Precision Nutrition. The Role of Artificial Intelligence

Empowering Smallholder Farmers:  
The Role of Innovation in Agricultural Development

Consumers Trusts: The Role of Sustainable Certified Product

Fashioning Change: The Role of Innovation  
in Sustainable Fashion

The Circular Economy of Transportation: How to Close the Loop  
and Create Sustainable Systems

Smart and Sustainable Transportation: How Technology is  
Revolutionizing Mobility

The Power of Green Infrastructure: Nature-Based Solutions for  
Urban Regeneration

Renewable Energy and Innovation: Exploring Emerging  
Technologies and Trends

Sustainable Energy and Rural Development: Meeting Energy  
Needs in Rural Communities

Sustainable Energy and Education: Empowering the Next  
Generation of Energy Leaders

Circular economy in architecture: Reusing, Repurposing,  
and Recycling Materials

Biomimicry in Architecture: Learning from Nature  
for Sustainable Design

Sustainable Design and the Regenerative Economy:  
Creating Value through Sustainable Practices

The Impact of Climate Change on Architecture and Design:  
Adapting to a Changing World

Urban Intelligence: AI and Blockchain for Sustainable Cities

Blockchain, AI and Circular Economy:  
Creating Sustainable Business Models for the Future

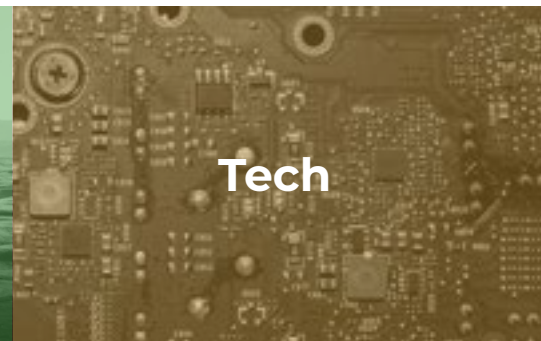

The Power of Data: Enabling Sustainable Development Goals  
through Big Data Analysis

Big Data, Education, and Sustainability:  
Preparing the Next Generation for a Sustainable Future

The Role of Africa in Achieving SDGs

# Best Practices **IN**

The best innovative solutions and methodologies in specific vertical sectors.

# Best Practices **FOR**

A cross-sector theme that highlights innovation and best practices from various fields, fostering inspiration.

A collage of images related to recycling and waste management, including a recycling symbol, a newspaper clipping, and a recycling bin.

**Circular Economy**

A close-up of a hand planting a small green seedling into dark, rich soil.

**Regenerative Agriculture**

A close-up of a green, textured surface, possibly a leaf or a piece of moss, with a small, dark, circular object in the center.

**Land Biodiversity**

An underwater scene showing a vibrant, colorful coral reef with various marine life.

**Marine Biodiversity**

A view of a modern, multi-story building with a green, terraced facade, set against a clear blue sky.

**Cities**

A close-up of two hands shaking in a firm grip, symbolizing a partnership or agreement.

**Partnerships**

A group of young people, including a person in a wheelchair, walking together on a paved path.

**Young People Engagement**

A group of older people sitting around a long table in a room with large windows, engaged in a discussion or activity.

**Old People Engagement**
